

Download Measurable Guidance Counseling Goals

Goal One: Academic Achievement. To enhance student achievement to reach requirements for high school graduation and post secondary success; school counselors will provide individual and/or small group counseling, classroom guidance, prevention education and student-centered interventions that:

Download Measurable Guidance Counseling Goals Measurable goals help counselors articulate their contributions to their jobs and to the counseling profession as Measurable and achievable goals are necessary for an organization to gauge the effectiveness of its work on a human level, and it provides some insight to the grantors about the good work their money is doing. Measurable goals help counselors articulate their contributions to their jobs and to the counseling profession as a whole. Client Caseload A caseload is the number of clients that a counselor works with in a given week.
