Minds On Physics is hard to describe because Minds On Physics is like nothing else. At first glance, it appears to be an exercise in answering questions. But it is indeed much more than that. Students will certainly answer questions and they will definitely get an exercise. The exercise is an exercise in thinking, an exercise in pondering the meaning of a concept, an exercise in probing the ...Minds on Physics is a collection of modules which are designed to provide students with a learning opportunity, an exercise in thinking, and a chance to reflect and review. The Minds On Physics Internet Modules use the Shockwave plug-in. Support for Shockwave by most modern browsers is diminishing. But fear not! The Minds On Physics program has now been completely converted to a mobile app that works on iOS and Android phones and tablets, on Mac computers, and on Chromebooks. Minds On Physics is an exercise in learning. If someone were to simply give you the answers, you would sidestep the learning. The program is forgiving of your mistakes and provides a Help button
