About ScanNCut THE WORLD'S FIRST home and hobby cutting machine with a built-in scanner! This family of Brother Machines is perfect for papercrafters, sewers, DIY crafters and more..."I got a sewing machine for Christmas, now I love to sew" Danica Patrick, NASCAR auto racing driver. Most home sewing machines are suitable for all softer interior and garment fabrics up to denim, but not for heavier fabrics such as exterior canvas, hard vinyl and stiff leather. The Brother ScanNCut Special Edition Machine is packed with incredible features to further enhance your scanning, cutting and creating experience! SINGER 1234 Portable Sewing Machine with Free Online Owner's Class and Tote Bag Project, White/Teal & Singer 10-Pack Regular Point Machine Needles Assorted, 4 Size 80/11, 4 Size 90/14 and 2 Size 100/16
