

Download Study Manual For Refinery Jobs

In this article, we have updated and extended the refinery investment cost curves presented in Gary and Handwerk's "Petroleum Refining: Technology and Economics. We examine how susceptible jobs are to computerisation. To assess this, we begin by implementing a novel methodology to estimate the probability of computerisation for 702 detailed occupations, using a Gaussian process classifier. Gain access to over 30,000 technical & specialty articles with statistics & leading expert analysis on the latest in the global oil & gas industry. Summary Report for: 51-8093.00 - Petroleum Pump System Operators, Refinery Operators, and Gaugers. Operate or control petroleum refining or processing units.
